- Per capita income is around US$ 22.000

Highlights

Indonesia Jewellery Fair ("IJF") is the most prestigious and celebrated jewellery trade fair in Indonesia that provides entrepreneurs and business owners to congregate, trade and exchange latest market information within the jewellery industry.

IJF provides great opportunity for manufacturers, distributors, wholesalers and suppliers in diamond, gold, silver, pearls, precious and semi-precious stones to congregate and establish business relationship into a consumer market of Indonesia.

IJF has become an official annual provincial event of Indonesia.

Highlights

Exhibitors will showcase wide selections of gold, silver, pearl, diamond, precious & semi-precious stones, rough stones and other fine crafts & jewellery with latest designs and high-tech jewellery machinery that set upcoming trends for consumer and jewellery markets.

Other attractive merchandises, such as machinery, equipment & tools and display & packaging will also be showcased at the fair.

For domestic and overseas jewellery manufacturers, distributors, wholesalers, and retailers who want to expand and penetrate into Eastern Indonesia huge consumers and retailing markets, this is the annual fair that you definitely have to participate and can't afford to miss out!
